SUBJECT: USSR Subscriptions for 1954

This office has recently been informed by the Publications Procurement Officer in Moscow that SOYUZPECHAT, the official serial publications outlet in Moscow, has accepted subscriptions to only one copy each of the provincial newspapers as listed in the SOYUZPECHAT catalogue for 1954. Subscriptions accepted for publications which did not appear in the catalogue were negligible.

Subscriptions were completely denied to the following central publications which were listed in the SOYUZPECHAT catalogue:
